TO WHOM IT MAY CONCERN

This is to certify that **Ayushman Puri**, student of grade XII at the Overseas Family School, Singapore, attended an Observership program at Medanta-The Medicity Hospital, Gurugram, India, from 15th June 2024 to 01st July 2024 under my guidance in collaboration with Dept. of Biomedical Engineering.

During this period Ayushman got an understanding of the machines and technologies used at the hospital including 3D Printers, Cautery Machine, MRI scanner, X-Ray machine, Dexa scan etc. He was engaged with the resident doctors and specialist like oral Surgeons, to understand the applications of the technology in disease management.

Ayushman displayed enthusiasm and inquisitiveness during the Observership and is an ever-willing learner. His dedication towards the science of biomedical engineering was very evident during his interactions.

We wish Ayushman the very best in his future endeavors.
